2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose a step of "allocating non-periodical time band to communication with other communication terminals if communication with priority during non-periodical time does not exist" (as in claim 1) and "to transmit data content which is averaged by a time period and is below or equal to allocated allowable band, and, to suppress transmission if it is above or equal to the allowable band (claims 7 and 11).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
